FOOTNOTES

(1) Figures quoted based on "optimum use", with the generator not running, no appliances used, no hydraulics used and no diesel/electric heating within the stated time period.

(2) While in un-hitched state, timed from the start of axle retract sequence, until the unit is seated and the cabin door is opened.

(a) Costs = Red diesel @ €1.80/litre. Savings = Compared to an EasyCabin standard T2 with a 6Kva generator. All figures quoted for guidance only & do not include use of hydraulics.

A full energy presentation is available on request.
